

EC120 Helicopter – 1 to 4 Passengers

All flights are regulated by the Civil Aviation Authority CAA

- 4 Passenger Helicopter
- Leather Interior
- Cost Effective
- VIP Single Engine Helicopter
- Ideal for Short Hops
- Great for Sightseeing Tours
- Ideal for Filming
- Ideal for Photography

The EC120 will comfortably carry 4 passengers at speeds approaching 175 MPH. The EC120's sleek, modern styling and quiet operation make it an ideal choice for most helicopter tasks, as well as being an impressive and highly capable corporate aircraft.
